

# PROTECT YOUR BRAND AND MAKE LIFE-LONG CUSTOMERS

## CLEAN SURFACES ARE KEY DRIVERS FOR GUEST SATISFACTION

The key to success is to find the right combination of chemicals, type of material and cleaning tools. With the complete range of OASIS PRO PREMIUM products Ecolab offers professional cleaning solutions which deliver sparkling surfaces every day.

- ▲ Broad range of highly effective formulations
- ▲ Based on the latest technologies
- ▲ Meeting the special needs of the hospitality industry

## SAFE DISPENSING AND PRODUCT HANDLING IS KEY TO EMPLOYEE'S SAFETY

High staff turnover and cost pressure are your daily challenges. Ecolab helps you to comply with local health inspection regulations, minimise employee safety concerns, and reduce the risk of outbreaks.

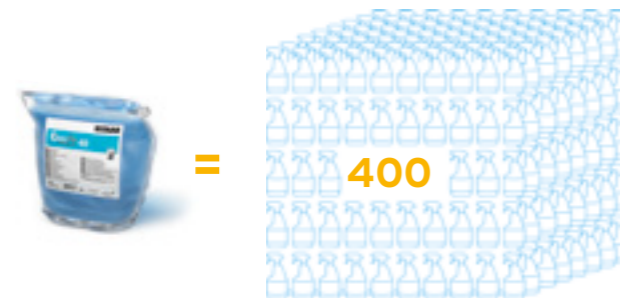

- ▲ Colour-coded cleaning solutions and dispenser labels
- ▲ Language-free icon systems make training intuitive and easy
- ▲ Fully automated and locked dispensing systems to prevent employee contact with concentrated chemicals

## EFFICIENT & SUSTAINABLE PRACTICES MAKE ECONOMIC SENSE

Today, operational efficiency goes together with sustainability. Ecolab helps you to save time and costs in a responsible manner.

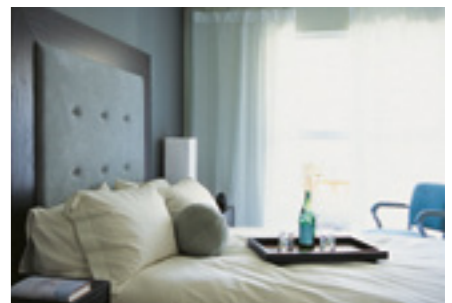

- ▲ Consistent dilution rates for excellent results at the lowest possible costs
- ▲ Rinse free products save time
- ▲ Labour-saving application tools to increase employee safety
- ▲ Highly concentrated products minimise packaging and reduce shipping weights, lowering the environmental impact

- ▲ One pouch makes up to 400 refill bottles which reduces packaging waste by 98% compared to RTU bottles

# OASIS PRO PREMIUM

CLEAN. SAFE. EFFICIENT.

# EXPERIENCE THE SUCCESS OF A CLEAN HOTEL

Your attention to clean is essential when creating a special atmosphere for your guests to enjoy a memorable stay at your hotel. Keeping clean all public areas, guest rooms, pool and spa areas on a daily basis is not easy. Some challenges you face include countless materials, odours to control, and limited time to train a constantly changing staff. To address these challenges you need products, systems and services that can deliver fantastic results, easily, effectively and economically.

## HOUSEKEEPING: CLEAN. SAFE. EFFICIENT.

The new OASIS PRO PREMIUM product range is part of the Ecolab 360° of Protection® Programme that delivers the right products, systems, cleaning processes and training aids. This programme is built on the foundation of personally delivered service to help you to consistently achieve guest satisfaction and greater efficiency in your housekeeping operations.

### CLEAN.

Attract more guests, build loyalty and improve your image with a consistently clean and fresh hotel.

### SAFE.

Comply with local health inspection regulations and minimise employee safety concerns.

### EFFICIENT.

Deliver the best possible guest experience at the lowest possible costs. Experience the benefit of Ecolab's world-class Service.

# THE NEW OASIS PRO PREMIUM RANGE

HIGHLY EFFECTIVE FORMULATIONS TO MEET THE SPECIAL HYGIENE AND CLEANING NEEDS OF THE HOSPITALITY INDUSTRY. ALL PRODUCTS ARE DESIGNED ACCORDING TO THE LATEST TECHNOLOGIES.

## BATHROOM CLEANERS

**OASIS PRO 61 PREMIUM ACID BATHROOM CLEANER**  
Powerful acid bathroom cleaner for quick effortless cleaning of all bathroom surfaces.  
**9053970** Pouch / 2 x 2L

## OASIS PRO PREMIUM TOOLS

### HOUSEKEEPING TRAY

The housekeeping tray stores all bottles and cloths needed for hotel room cleaning. A small box can be attached on each side to store extra cloths.

### VISPA AUTO SCRUBBER

VISPA is the smallest battery powered scrubbing machine, providing high manoeuvrability and enhanced productivity.

### HOUSEKEEPING TROLLEY

The high quality housekeeping trolley stores everything needed for guest room cleaning well arranged and organised.

### polifix® PREMIUM CLOTHS

High quality polifix® PREMIUM cloths facilitate the cleaning of glass and sensitive surfaces.

### rasanTEC® MOP SYSTEM

The rasanTEC® system brings tangible productivity due to a new microfibre material with an abrasive slide strip.

### FLOORMATIC SWING

The modular system of the FLOORMATIC SWING allows an easy switch from vacuuming to Ultra High Speed function.
